Changes in accounting policies

(Application of Accounting Standard for Current Income Taxes)

The Bank has applied the "Accounting Standard for Current Income Taxes" (ASBJ Statement No.27, October 28, 2022; hereinafter "Income Taxes Accounting Standard"), etc. from the beginning of the nine months ended December 31, 2024.

With regard to the amendment to categories in which current income taxes should be recorded (tax on other comprehensive income), the Bank applies the transitional treatment provided for in the proviso to Paragraph 20-3 of the Income Taxes Accounting Standard. The cumulative amount affected by the retrospective application of the new accounting policy prior to the beginning of the nine months ended December 31, 2024 has been added to or deducted from retained earnings as of the beginning of the nine months ended december 31, 2024, the corresponding amount has been added to or deducted from the appropriate category in total accumulated other comprehensive income, and the Bank has applied the new accounting policy from the balance at the beginning of the period.

The impact of the application of the accounting standard, etc. on the consolidated financial statements is minimal.
